TESTIMONIALS

Saint Moore Insurance writes all of our insurance, Worker’s Comp, Liability, Auto, Health etc. as well as providing Payment & Performance Bonds, Specialty Bonds, and Notary Services. Having known Chris since the early 90’s it has been a delight to see his company grow and know that growth did not diminish attention to clients or the service they provide.

Chris and his team have an extensive background in construction, especially in our field of Masonry and it is an honor for me to recommend Saint Moore Insurance to family, friends, and associates. I am confident they will be served as well as we have for over 28 years.

- Carolyn Winegardner, President

Saint Moore Insurance Agency became our insurance agent in 2000. Chris and his staff are extremely knowledgeable and have always been very competitive in their pricing. Being a contractor in today’s industry there are always terms and conditions with insurance changing and we can always count on Saint Moore to explain in detail exactly how these changes will affect us. We highly recommend their services as we think they are a superior agency.
